BEER TASTING EVENTS

Beer is our passion and we love trying different beers and exploring how they match with beautiful food. Our Private tasting sessions are available for parties ranging from 6 people up to 30 and we have two packages available.

Both packages include a tour of our well-kept theatre of beer, an introduction to hops, malts, yeast, the variety of beer styles and of course most importantly, the opportunity to taste a range of beers and to match them with various tasters of food. We also hold open beer tastings for parties less than 6 people on set dates and times.

Ask one of our team members for more information. Call us on **01212375666** or email info@purecraftbars.com
